PARK PASS Options for AMA Members. Your Park Pass will expire on 12/31/2027. If your AMA membership expires before this date and is not renewed, your flying privileges will be suspended until such time that it is renewed. For new applications made on or after October 1<sup>st</sup>, 2026, Park Pass and/or club membership will not expire until 12/31/2027.

**Please choose only ONE:**

- ☐ \$30.00 Park Pass and Gate Key
- ☐ \$60.00 Park Pass and Gate Key with (FAPA) Flying Aces Pilots Association Membership\*
- ☐ \$50.00 Park Pass and Gate Key with (MCLS) Metrolina Control Line Society Membership\*
- ☐ \$FREE Park Pass for AMA Junior Member

Flyers must purchase a Park Pass to use the Flying Site and must display the Pass while flying. AMA Membership is required. To Join AMA please visit <https://www.modelaircraft.org/joinrenew.aspx> (Out of town visitors may fly up to three days with a current (2027) AMA card displayed without purchasing a Park Pass as a guest of a current Park Pass Holder).

Please acknowledge (Check) both items below:

- ☐ For the safety of Flyers and others, Flyers agree that they will setup/configure and activate both "Throttle Cut" and "Failsafe" for all models they fly at David B. Waymer Aeromodeler Flying field. There will be spot checks to confirm that both "Throttle Cut" and "Failsafe" are configured and active for the model you are flying. These safety systems are fundamental to safe flying, so please do not get upset when asked to show that the systems are active.
- ☐ I acknowledge that I have read the Mecklenburg County Parks and Recreation Department's Aeromodeler Rules including the Gate Operations rules and agree to abide by them when using the County Aeromodeler Facility. I further agree to abide by all AMA Rules and Regulations, and will extend the appropriate courtesy to fellow aeromodelers when using the facility.

In consideration of the acceptance of this application, I hereby waive and release the County and WACAMA of responsibility and liability of any injuries, sickness, damages, and death incurred from participation at the Aeromodeler Facility. I further certify that I am physically fit and capable of safely operating aeromodels.
